Membership Benefits

People do business with those they know and trust. The Chamber creates this connection through regular networking and engagement opportunities, including business forums, speaker events, trade fairs and flagship gatherings such as the Annual Dinner and Quarterly Membership Meetings.

Joining the Chamber provides access to a range of business services that create valuable opportunities to promote and grow your products and services:

Marketing & Visibility: Promote your business through Chamber events, publications, and the official directory, and gain access to targeted, cost-effective advertising channels.

Networking & Growth: Build strategic relationships through business forums, trade missions, and member referrals, with opportunities for partnerships and market expansion.

Access to Opportunities: Benefit from investment linkages, access to finance, and participation in key private sector initiatives.

Business Support Services: Access trade facilitation services, including Certificates of Origin, business documentation, and international business support.

Advocacy & Representation: Engage with Government through the Chamber's advocacy platform and receive support in addressing business challenges, including dispute resolution through CADR.

Capacity Building & Insights: Participate in training, knowledge-sharing platforms, and access market intelligence and advisory support.

Annual Dues

Please see below the pricing schedule for annual membership dues.

- Applications are reviewed by office staff, and either the Finance Officer or Business Development Manager will contact you for application review and receipt confirmation.
- Applications are presented to the Council for approval upon receipt and payment of the joining fee.
- After Council approval and subsequent payment of the subscription, a membership certificate will be presented.
